What Personal Information About Customers Does Jewelers Trade Center Gather?

The information we learn from customers helps us personalize and continually improve your JEWELERS TRADE CENTER, LLC, ("JTC") experience. Here are the types of information we gather.

- **Information You Give Us:** We receive and store any information you enter on our Web site or give us in any other way. You can choose not to provide certain information, but then you might not be able to take advantage of many of our features. We use the information that you provide for such purposes as responding to your requests, customizing future shopping for you, improving our stores, and communicating with you.
- **Automatic Information:** We receive and store certain types of information whenever you interact with us. For example, like many Web sites, we use "cookies," and we obtain certain types of information when your Web browser accesses JewelersTradeCenter.com or advertisements and other content served by or on behalf of JewelersTradeCenter.com on other Web sites.
- **Mobile:** When you download or use apps created by JTC or our subsidiaries, we may receive information about your location and your mobile device, including a unique identifier for your device. We may use this information to provide you with location-based services, such as advertising, search results, and other personalized content. Most mobile devices allow you to turn off location services.
- **E-mail Communications:** To help us make e-mails more useful and interesting, we often receive a confirmation when you open e-mail from JewelersTradeCenter.com if your computer supports

such capabilities. We also compare our customer list to lists received from other companies, in an effort to avoid sending unnecessary messages to our customers. If you do not want to receive e-mail or other mail from us, please adjust your Customer Communication Preferences.

- **Information from Other Sources:** We might receive information about you from other sources and add it to our account information.

What About Cookies?

- Cookies are unique identifiers that we transfer to your device to enable our systems to recognize your device and to provide features such as purchasing, recommendations, personalized advertisements on other Web sites (e.g., JTC Associates with content served by JewelersTradeCenter.com), and storage of items in your shopping cart between visits.
- The Help feature on most browsers will tell you how to prevent your browser from accepting new cookies, how to have the browser notify you when you receive a new cookie, or how to disable cookies altogether. Additionally, you can disable or delete similar data used by browser add-ons, such as Flash cookies, by changing the add-on's settings or visiting the Web site of its manufacturer. Because cookies allow you to take advantage of some of JewelersTradeCenter.com 's essential features, we recommend that you leave them turned on. For instance, if you block or otherwise reject our cookies, you will not be able to add items to your shopping cart, proceed to checkout, or use any JewelersTradeCenter.com products and services that require you to Sign in.

Does JewelersTradeCenter.com Share the Information It Receives?

- **Third-Party Service Providers:** We employ other companies and individuals to perform functions on our behalf. Examples include removing repetitive information from customer lists, analyzing data, providing marketing assistance, providing search results and links (including paid listings and links), processing credit card payments, and providing customer service. They have access to personal information needed to perform their functions, but may not use it for other purposes.
- **Promotional Offers:** Sometimes we send offers to selected groups of JewelersTradeCenter.com customers on behalf of other businesses. When we do this, we do not give that business your name and address. If you do not want to receive such offers, please adjust your Customer Communication Preferences.
- **Business Transfers:** As we continue to develop our business, we might sell or buy stores, subsidiaries, or business units. In such transactions, customer information generally is one of the

transferred business assets but remains subject to the promises made in any pre-existing Privacy Notice (unless, of course, the customer consents otherwise). Also, in the unlikely event that JEWELERS TRADE CENTER, LLC or substantially all of its assets are acquired, customer information will of course be one of the transferred assets.

- **Protection of JewelersTradeCenter.com and Others:** We release account and other personal information when we believe release is appropriate to comply with the law; enforce or apply our Conditions of Use and other agreements; or protect the rights, property, or safety of JewelersTradeCenter.com, our users, or others. This includes exchanging information with other companies and organizations for fraud protection and credit risk reduction. Obviously, however, this does not include selling, renting, sharing, or otherwise disclosing personally identifiable information from customers for commercial purposes in violation of the commitments set forth in this Privacy Notice.
- **With Your Consent:** Other than as set out above, you will receive notice when information about you might go to third parties, and you will have an opportunity to choose not to share the information.
